ARCHIDEX 2011 Malaysia Key Point to Congregate for Architects, Interior Designers and Building Professionals

The 12th Malaysia Architecture, Interior Design & Building Exhibition – ARCHIDEX 2011 is the region's annual must-attend event for the architects, interior designers, developers, quantity surveyors, engineers and other professionals from the building industry.

Happening on the first week of July annually, the exhibition will take place from 30 June to 3 July 2011 at the Kuala Lumpur Convention Centre, Malaysia, under the PAM 2011 Convention. The exhibition is jointly organised between PAM (Pertubuhan Arkitek Malaysia/Malaysian Institute of Architects) and C.I.S Network Sdn Bhd. ARCHIDEX 2011 is showcasing over 900 exhibition booths taken up by more than 370 companies from Austria, Australia, China, Germany, Indonesia, Italy, Japan, Singapore, Thailand and Malaysia.

This four-day event has become a key point for thousands of architects, interior designers, developers and building professionals from around the world to congregate. It keeps industry professionals informed, to update, to network with captains of the industries and to stay fully conversant with the developments in the built environment, besides sourcing for innovative products, designs and services.

Several of its concurrent conference and forums are: DATUM:KL (International Architectural Design Conference), GBF (Green Building Forum) and KLDF (Kuala Lumpur Design Forum), where international and local speakers, and design personalities are invited to present their design philosophies and experiences.

Other events and highlights are the New Product Award, Green New Product Award, Designers' Day, Architects' Day, Green Biz @ ARCHIDEX, EXPOSÉ@ ARCHIDEX, PAM Members' Night/Professionals' Networking Evening and many more exciting events.
